HOMES DESIRED FOR CHILDREN

The agents of the Board of State Charities have in the past year been very successful in securing a large number of good homes for dependent children who are public wards. There are still a large number of desirable children available for placing in suitable homes. Doubtless there are many families that would make a home for a child. An important part of the Board's work is to bring the homeless child and childless home together. The Board solicits the cooperation of all who are interested in securing proper homes in families for children. For further information address
